Description

The Neomounts by Newstar floor stand, model NS-M1250WHITE is a mobile floor stand for flat screens up to 70" (178 cm). This mobile stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. This cart stretches your investment by serving a variety of projection needs by sharing a large display over multiple rooms. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location. Neomounts by Newstars' floor stand, NS-M1250WHITE holds your TV, AV equipment and even hides your cables. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the stand nice and tidy. The casters allow the stand to move it to where you need it. Easily roll this cart through doorways and over thresholds. Neomounts by Newstar NS-M1250WHITE is suitable for screens up to 70" (178 cm). The weight capacity of this product is 70 kg each screen. The stand is suitable for screens that meet VESA hole pattern 200x200 to 600x400mm. The mount is also suited for Microsoft Surface Hub 2S(X) and Samsung Flip 2 55" and 65". All installation material is included with the product.
