Description

With its new design, CitiZ continues to please both Nespresso coffee drinkers and design lovers, adding a touch of elegance to coffee rituals around the globe.
The Red Dot award-winning compact design fits in to any urban kitchen without taking up too much space. The user-friendly features include two programmable buttons with automatic flow-stop for Espresso and Lungo coffee preparations as well as a removable drip tray for taller glass recipes. The 19 bar highperformance pump offers barista-style coffee every time, perfectly extracting the delicate flavor and premium aromas of each coffee capsule and creating an incomparably dense and unctuous crema. The fast heat-up system reaches the ideal temperature in just 25 seconds, while the automatic energy-saving function switches the machine off after 9 minutes of inactivity, making your life easier. Keeping its iconic lines and premium finish, the range of intuitive and user-friendly CitiZ machines embodies the expertise of Nespresso to suit all coffee-drinking preferences.
