| EAN/UPC | 0023942438908 |

## Description

This little device is what you need if you own a notebook or other device that does not include a Blu-ray writer. Use it to create a backup of all the important files that you don't want to lose, family pictures, videos, and accounting documents. The Verbatim Slimline Blu-ray writer is USB powered so no power adapter is needed. It is easy to transport, meaning you never have to go anywhere without it.
