Description

Meet Verona v2 where Arozzi takes you to the next level. Our Swedish designers have integrated the most popular features from our other product lines along with the latest in ergonomic design to produce a gaming chair that puts you at the centre of control and comfort. Supple pleather covering over a lightweight metal frame gives a luxury feel while maintaining the flexibility to move and react quickly.

The Verona v2 includes ergonomic features like extra padded seating, adjustable armrests, adjustable back and head support. The durable pleather upholstery is also easy to clean. Verona v2 comes in a variety of exciting colors to enhance your space. When it's time to win the Verona v2 will get you across the line with comfort to spare.
