Description

Silk-épil beauty set - the professional hair removal set for face and body. Epilator removes even shorter hair for weeks of smooth skin. Shaver and trimmer attachments help for hair removal in sensitive areas. FaceSpa facial brushes - cleanse and exfoliate for flawless skin.

An intelligent sensor guides your epilation, ensuring the right amount of pressure is applied to remove even more hair in one stroke. With pulsating active vibrations, the epilation is extra gentle. Micro-grip technology efficiently removes hair by the root for long-lasting smoothness. Facial cleansing brush gently oscillates to loosen and remove make-up, oil, and impurities.
