Description

The new Braun MultiQuick 7 hand blender is designed to help you make healthy meals for your family and friends - fast and easy. It now features world's first ACTIVEBlade technology. This innovative flexible shaft gives you 250 % more active cutting surface to work with - a clever kitchen helper so you can get the job done easily. It also features Braun's new Easy SmartSpeed technology, which puts you in control with just one touch. Simply apply pressure on the control button to adjust the power intuitively and without interruption.
