Description

Braun Series 9 is the world's most efficient electric shaver: the 5 shaving elements capture more hair in one stroke for a flawless shave. This foil shaver provides you with both a close and gentle shave, without compromise. The electric razor glides over skin and is suitable for wet or dry shaving. You can now shave cordlessly for longer (60 min) with 20% more battery than the previous Series 9. Includes Pro display with performance dashboard. All Series 9 shavers are made in Germany with premium craftsmanship.
