

Brother TN2005 - Black - original

toner cartridge - for Brother HL-2035 - HL-2037

Group	Toner Cartridges
Manufacturer	Brother
Manufacturer item no.	TN2005
EAN/UPC	4977766662376

Description

Original Brother toner is formulated to meet high quality resolution in line with Brother's high design specification.

With Brother laser products the toner and drum work independently - this is cheaper to run than those where the two units are combined. If one runs out, you don't have to replace both items simultaneously, substantially reducing waste, saving precious resources and your cash.

Toner particle size, shape and color pigmentation all have a direct impact on the sharpness of the printed image. Brother's toner is formulated to exacting standards to ensure you receive high quality print resolution and reliability.

Main features
