Description

This high capacity premium wax/resin ribbon has been developed to meet your professional label printing needs. For use in retail, healthcare and logistics, you can use these 60mm wide ribbons for barcode printing and a variety of other applications. Wax/resin thermal transfer ribbons are the best of both worlds, combining the cost effectiveness of wax ribbons alongside the durability of resin labels. The BSP-1D300-060 ribbons are used in conjunction with compatible label rolls in your thermal transfer label printer. Wax/resin ribbons are best suited to coated paper labels.
