Description

This high capacity premium resin ribbon has been developed to meet your professional label printing needs. For use in retail, healthcare and logistics, you can use these 60mm wide ribbons for barcode printing and a variety of other applications.

Resin thermal transfer ribbons provide durable, high quality prints and are best suited to film-type material labels. The BRP-1D300-060 premium resin ribbons are used in conjunction with compatible label rolls in your thermal transfer label printer.
