Group	Print Media
Manufacturer	Brother
Manufacturer item no.	TZEFX641
EAN/UPC	4977766692083

Description

Flexible ID tape is made with special materials designed for labeling around sharp bends and cylindrical surfaces. Labeling over edges, around hydraulic and electrical connectors, or marking pipes, cables and wires, are all possible using this specially formulated tape. As this special adhesive sticks well to insulations and to itself, this label is perfect for wrapping around cables and wires.

Main features
