

Canon PFI-1000 CO - 80 ml - chroma optimiser

original - ink tank - for imagePROGRAF PRO-1000

Group	Ink Cartridges
Manufacturer	Canon
Manufacturer item no.	0556C001AA
EAN/UPC	4549292046625

Description

LUCIA PRO ink adopts capsulated pigment particles and a Chroma Optimizer coat. With this evolution, ink can be placed more densely and it brings higher color gamut by increasing the number of color droplets on the paper. This dense ink-configuration also brings gloss uniformity on coated media for better glossiness and image clarity that achieves anti-bronzing.

Main features
