Description

Canon Premium Fine Art Rough Paper A4 paper is high quality cotton paper developed to produce the best image quality with pigment ink. Its rough texture is ideal for expressing depth in an image and adding three-dimensional touch. Professional, experienced enthusiast photographers and art lovers will enjoy printing photos and other fine artwork on this paper. Suitable for long-term storage, this paper has a satisfying roughness, thickness and luxury touch, meaning your artwork will truly shine. Combined with genuine Canon LUCIA PRO ink in which the ink formulation has been optimized, resulting prints are rich in color and black density and thanks to the paper's 100 percent cotton base, image longevity and high durability are assured.
