## Description

CORSAIR Dominator Platinum RGB - DDR4 - kit - 32 GB: 2 x 16 GB - DIMM 288-pin - 3200 MT/s / PC4-25600 - CL16 - 1.35 V - unbuffered - non-ECC - black

## Main features

|                      |                                                                                                                                                                                                                                               |

| Product Description  | CORSAIR Dominator Platinum RGB - DDR4 - kit - 32 GB: 2 x 16 GB - DIMM 288-pin / PC4-25600 - unbuffered                                                                                                                                        |
| Product Type         | Memory kit                                                                                                                                                                                                                                    |
| Capacity             | 32 GB: 2 x 16 GB                                                                                                                                                                                                                              |
| Memory Type          | DDR4 SDRAM - DIMM 288-pin                                                                                                                                                                                                                     |
| Upgrade Type         | Generic                                                                                                                                                                                                                                       |
| Data Integrity Check | Non-ECC                                                                                                                                                                                                                                       |
| Speed                | 3200 MT/s (PC4-25600)                                                                                                                                                                                                                         |
| Latency Timings      | CL16 (16-18-18-36)                                                                                                                                                                                                                            |
| Features             | Dual-path Heat Xchange (DHX), dual channel, anodized aluminum heatspreader, Intel Extreme Memory Profiles (XMP 2.0), 10 Layers PCB heatspreader, Corsair iCUE support, 12 ultra-bright individually addressable CAPELLIX RGB LEDs, unbuffered |
| Voltage              | 1.35 V                                                                                                                                                                                                                                        |
