

D-Link DUB-2334 - Docking station

USB-C - HDMI - 1GbE

Group	Notebook Accessories
Manufacturer	D-Link
Manufacturer item no.	DUB-2334
EAN/UPC	0790069468612

Description

The D-Link DUB-2334 port expansion docking station is a versatile addition to any workspace. Designed to meet the needs of modern professionals, it features a range of connectivity options including USB-C 3.0, network interface with RJ-45 connector, and USB-C with Power Delivery (60 W) for fast charging. This device ensures that you can connect a variety of peripherals, charge your devices efficiently, and maintain high-speed network connections. Whether you're in an office setting or working remotely, the DUB-2334 enhances productivity by providing seamless connection to essential devices and networks. Its support for HDMI video interfaces also makes it ideal for multimedia applications, ensuring that you have all the tools you need in one efficient device.
