Dell NVIDIA Quadro P400 - Graphics card

Quadro P400 - 2 GB - 3 x Mini DisplayPort - for Precision 5820 Tower - 7820 Tower - 7920 Rack - 7920 Tower

Group	Graphics Cards
Manufacturer	Dell
Manufacturer item no.	490-BDTB
EAN/UPC	5397184052464

Description

The NVIDIA Quadro P400 combines CUDA core Pascal GPU, large on-board memory and advanced display technologies to deliver great performance for a range of professional applications. Ultra-fast GPU memory makes it easy to manage complex 2D and 3D models and the single-slot, lowprofile form factor makes it compatible with even space and power-constrained chassis.

Main features

Product Description	NVIDIA Quadro P400 - graphics card - Quadro P400 - 2 GB
Device Type	Graphics card
Graphics Engine	NVIDIA Quadro P400
Memory	2 GB
Interfaces	3 x Mini DisplayPort
Designed For	Precision 5820 Tower, 7820 Tower, 7920 Rack, 7920 Tower

Extended details

	General
Device Type	Graphics card
Graphics Engine	NVIDIA Quadro P400
Interfaces	3 x Mini DisplayPort
	Memory
Size	2 GB
	Compatibility Information
Designed For	Dell Precision 5820 Tower, 7820 Tower, 7920 Rack, 7920 Tower
