Description

Explore an intuitive interface and functionality with the 4.3" color touch TFT display. It allows you to choose and personalize your drinks and even set up your personal profile, all with a simple touch.

All beverages, from espresso to latte macchiato, can be personalized according to your taste using simple touch screen technology. PrimaDonna Elite allows you to enjoy all your favorite drinks just the way you like them.

From the perfect espresso to the perfect milk foam, it is possible to experiment and discover various flavors and recipes. Let yourself be amazed by one-touch recipes (Americano and Tea function) and semi-automatic ones (hot chocolate, cold coffee and cold milk foam) to enter the world of multibeverage preparation.

The display guides you step by step through simple machine maintenance and use.
