Description

Nespresso introduces the Vertuo Next, the latest Vertuo Nespresso coffee maker. In addition to its original espressos, Nespresso Vertuo Next produces an extraordinary cup of coffee with a smooth layer of crema is the signature of truly great cup of coffee. The Vertuo coffee and espresso coffee machine conveniently makes 5, 8, 14 oz. coffee and 1.35, 2.7 oz. Espresso. Nespresso brings together the know-how of all its coffee experts, who have carefully chosen the origin and roasting of each coffee blend and created a brewing system using Centrifusion technology, a patented extraction technology developed by Nespresso. Just insert a Vertuo capsule and close the lever - when activated, the capsule spins up to 7000 rotations per minute, blending ground coffee with water and producing the perfect crema to enjoy quality coffee in larger cup sizes. The machine delivers the optimal in-cup results for each blend using capsule-specific brewing with barcode reading.
