Description

Domo's high-speed blender D0722BL is a powerful appliance that achieves 25,000 rotations per minute and has a power output of 1400 W. Thanks to this powerful motor, you can even mix harder ingredients, such as nuts, frozen fruit and ice cubes, without a hitch. The knife unit with 6 blades ensures a perfect mixing result. Even better, the knife unit can be removed for easy cleaning. Both the glass jar, with a volume of 1.75 l, and the lid are dishwasher-safe. Use the pulse option for a quick start and very precise mixing. The three illuminated function buttons initiate automatic programmes - ideal for crushing ice, preparing smoothies and for automatic cleaning.
