

Dymo LabelMANAGER 420P - Labelmaker

B/W - thermal transfer - Roll (1.9 cm) - 180 dpi - USB - cutter

Group	Printers
Manufacturer	Dymo
Manufacturer item no.	S0915480

Description

Powered by a lithium-ion battery - the same technology used to power cell phones and laptop computers - the DYMO LabelManager 420P label maker eliminates the inconvenience of AA batteries. The label maker's design is perfect for any office or workspace. Plus it's packed with features that help you get the results you want with more ease and convenience. The large backlit screen displays four lines of text. Work faster with an improved user interface that displays all menu commands without scrolling, and includes easy-to-read icons for formatting options. Enter text quickly and naturally with the familiar ABC keyboard layout, and use special function keys for fast access to punctuation marks, currency and other special symbols.
