## Description

Eaton 5S 1500i - UPS - AC 230 V - 900 Watt - 1500 VA - USB - output connectors: 8 - black

## Main features

|                     |                                                                            |
|---------------------|----------------------------------------------------------------------------|
| Product Description | Eaton 5S 1500i - UPS - 900 watt - 1500 VA                                  |
| Device Type         | UPS - external                                                             |
| Weight              | 11.08 kg                                                                   |
| Input Voltage       | AC 230 V                                                                   |
| Output Voltage      | AC 230 V ± 10%                                                             |
| Power Capacity      | 900 watt / 1500 VA                                                         |
| Input Connectors    | 1                                                                          |
| Output connectors   | 4 x power IEC 60320 C13 (surge)<br>4 x power IEC 60320 C13 (UPS and surge) |
| Run Time (Up To)    | 11 min                                                                     |
| Networking          | USB                                                                        |
| Colour              | Black                                                                      |
| System Requirements | Linux, Apple MacOS X, Microsoft Windows Vista / 7 / 8                      |
| Dimensions (WxDxH)  | 8.7 cm x 38.2 cm x 25 cm                                                   |
