## Description

Eaton 9PX 1500i RT2U - UPS (rack-mountable / external) - AC 200/208/220/230/240 V - 1500 Watt - 1500 VA - 1-phase - RS-232, USB - output connectors: 8 - PFC - 2U - 19" - black/silver

## Main features

|                         |                                                                 |
|-------------------------|-----------------------------------------------------------------|
| Product Description     | Eaton 9PX 1500i RT2U - UPS - 1500 Watt - 1500 VA                |
| Device Type             | UPS - Power Factor Correction (PFC) - rack-mountable / external |
| Rack Size               | 19" - 2U                                                        |
| Weight                  | 15.8 kg                                                         |
| Input Wiring            | 1-phase                                                         |
| Input Voltage           | AC 200/208/220/230/240 V                                        |
| Output Voltage          | AC 200/208/220/230/240 V ± 1%                                   |
| Power Capacity          | 1500 Watt / 1500 VA                                             |
| Input Connectors        | 1 x power IEC 60320 C14                                         |
| Output connectors       | 8 x power IEC 60320 C13                                         |
| Battery                 | Lithium ion                                                     |
| Run Time (Up To)        | 10 min at full load                                             |
| Networking              | RS-232, USB                                                     |
| Colour                  | Black/silver                                                    |
| Dimensions (WxDxH)      | 44 cm x 45 cm x 8.65 cm                                         |
| Environmental Standards | ENERGY STAR                                                     |
