Manufacturer item no.	C13T46S700
EAN/UPC	8715946680880

Description

UltraChrome Pro ink is based on Epson's famous K3 & HDR ink. It has an aqueous (water based) all-pigment construction that has been designed for professional and commercial print production. The formulation provides an extended gamut with superior color accuracy and archival level image stability. Ink dries quickly to produce prints that are water and scratch resistant.

Main features
