Manufacturer item no.	C13T636900
EAN/UPC	0010343870895

Description

Epson's UltraChrome HDR ink is a high density resin coated pigment ink formulation.

This generation of UltraChrome HDR ink delivers reduced graininess in skin tone areas, smoother tonal gradation from shadows to highlights, excellent short term color stability and outstanding long term lightfastness, highly accurate color control with neutral black and white, and high gloss levels on water resistant prints.
