for Stylus Pro 38XX; SureColor P800 - SC-P800; SURELAB D700; SURELAB SL D700 - D800 - D800 240

Group	Ink Cartridges
Manufacturer	Epson
Manufacturer item no.	C13T582000
EAN/UPC	0010343858954

Description

An exact fitting ribbon cassette enables easy and user-friendly replacement and does not jump out during printing. Perfect harmonization between printer mechanism and ribbon transport means uniform distribution of color which, in turn, ensures a clean and pleasing appearance and also makes ribbon-tightening a thing of the past.

Of course, in the choice of ribbon fabric and mesh thickness, Epson pays special attention to the particular properties of the print head, in order to ensure that the ribbon does not fray and there is no chance of it getting stuck. In addition, costly repairs as a result of defective print heads and cash register breakdowns are avoided.

Likewise, Epson places great emphasis on the choice of ink in which the ribbon is soaked: quality of print out, even distribution of color along the length of the ribbon and predection of the print head pins from mechanical strain and chemical pollution are the important criteria which influence quality and perfect design.

Main features

Product Description	Epson - maintenance cartridge
Product Type	Maintenance cartridge
Printing Technology	Ink-jet
Compatible with	Stylus Pro 3800, Pro 3800 Graphics, Pro 3800 Professional Edition, Pro 3880, Pro 3880 Mirage Edition, Pro 3885; SureColor P800 Designer Edition, SC-P800; SURELAB D700; SURELAB SL D700, D700 HPV IC, D800, D800 240V, D800 HPV IC, D800 ML, D800 ML 240V, D800 ML-OC, D800 OC-LE, D800 OC-LE 240V
