Manufacturer item no.	S26391-F1337-L109
EAN/UPC	4054681979441

Description

Flexibility, expandability, desktop replacement and investment protection are just a few of the many benefits of Fujitsu's docking devices. Port replicators are the perfect docking solution for your notebooks, tablets and mobile workstations. In the office or at home it takes just a second to attach your device to the port replicator and get connected to peripherals such as an external display, keyboard and mouse. Your workplace is simplified and tidy while you work with your Fujitsu device.
