Description

Bake pizza in 2 minutes! For any kind of pizza: neapolitan, thin&crispy, pan pizza, frozen, and much more

With the Pizza Oven Pizza PRO 2 minuti, you reach perfection in pizza cooking. The combination of high temperature (up to 450°C) and refractory stone ensures quick and uniform cooking. Thanks to the separate temperature control for top and base, you have full control on cooking process, achieving a fragrant base and well cooked pizza every time: bake a perfect Neapolitan pizza in just 2 minutes!

The digital display offers great versatility: it features 6 programs to cook every type of pizza and more: from Neapolitan to thin and crispy, from pan pizza to frozen pizza, as well as DIY recipes.

The accessories included are the removable refractory stone and the large aluminum peel for loading pizzas.

The Pizza Oven Pizza PRO 2 minuti is fully electric to cook at home pizzas like the ones of the best pizzerias, and excels in safety too; designed with a forced ventilation cooling system and a door with triple-level insulation glass, the housing remains cool even when oven is used at maximum temperature.
