

Gardena 19605-60, Robotic lawn mower, 400 m², 1.6 cm, 2 cm, 5 cm, 35%

Robotic mower smart SILENO city - 400 m² - with AI technology

Group	Major Domestic Appliances
Manufacturer	Gardena
Manufacturer item no.	19605-60
EAN/UPC	4066407503441

Description

The GARDENA smart SILENO city with the latest LONA™ technology, an AI-based mapping innovation with location tracking, offers the ingenious solution for your garden.

Revolutionary lawn care

Optimise your lawn care with the GARDENA smart system. The advanced EasyApp control gives you the flexibility to manage your garden effortlessly from anywhere. Enjoy all the benefits of the GARDENA smart system, which makes the installation and operation of your intelligent SILENO city lawnmower seamless thanks to the intuitive Easyconfig, Auto Schedule and Smart Home functions. All these functions are conveniently accessible at the touch of a button on the GARDENA smart App. Turn your gardening routine into a streamlined and intelligent process with the GARDENA smart system and put unparalleled convenience at your fingertips.

Advanced technology

LONA™ Intelligence, the unmatched AI technology in the SILENO robotic lawnmower range, offers Real-time tracking, mapping, zone management, and intuitive control via the GARDENA smart App. With patented GPS-based sensor fusion, effortlessly define no-mow zones and personalized maintenance settings at the touch of a finger, anytime, anywhere.

Pro-silent

Enjoy quiet moments in the garden with the SILENO city, which has the lowest noise level in its class at just 57 dB(A) thanks to its exceptionally quiet motor. Embrace peaceful coexistence with your neighbours as this mower operates quietly, allowing everyone to relax and enjoy the tranquillity of the garden even when the robot is in action.

Mastering all weathers

Embrace worry-free lawn care with SILENO's automatic weather and terrain function. This robotic marvel works seamlessly in all weather conditions, whether it's rain or sunshine, tackling small and complex lawns with ease. This intelligent robotic lawnmower goes the extra mile by detecting frozen or frosty ground conditions and intelligently pausing its programme until it thaws, ensuring optimum mowing performance. It even copes with slopes and gradients of up to 35 per cent. You can rely on SILENO city to adapt to different terrains and keep your lawn looking great, regardless of the elements or landscape.

Easy to clean

The GARDENA smart SILENO city has been carefully designed for easy maintenance. A simple spray with the garden hose thoroughly cleans the housing, blades and wheels, effectively removing dirt, dust and grass clippings. This user-friendly feature ensures that keeping your robotic lawnmower in optimum condition is a hassle-free task.

Main features

	General
Type	Robotic lawn mower
Maximum lawn area	400 m ²

Cutting width	1.6 cm
Power source	Battery
Charging time	1 h
Battery voltage	18 V
Width	380 mm
Depth	550 mm
Height	230 mm
Boundary wire	Yes
Boundary wire length	150 m

Extended details	
	Features
Type	Robotic lawn mower
Maximum lawn area	400 m²
Cutting width	1.6 cm
Number of height positions	3
Minimum cutting height	2 cm
Maximum cutting height	5 cm
