Group	Toner Cartridges
Manufacturer	HP
Manufacturer item no.	C4096A
EAN/UPC	0088698592977

Description

The C4096A is a one-part Ultraprecise Print Cartridge with new toner formulation and cartridge design. It is specifically designed to work with the HP LaserJet 2100 and 2200 Series printers to ensure optimal printing of text and graphics. The C4096A Print Cartridge provides professional LaserJet print quality that is a great choice for every type of printing need, with superior detail and gray-scale quality allowing for attention-getting, persuasive documents. It's a robust solution able to support the demands of small group printing. Printing results are consistent with HP's reputation as the leader in laser printing. Prints approximately 5, 000 pages, based on 5% average coverage.
