

HP CE505AC, 2300 pages, Black, 1 pc(s)

CE505AC Black Contract Original LaserJet Toner Cartridge with Smart Printing Technology

Group	Toner Cartridges
Manufacturer	HP
Manufacturer item no.	CE505AC
EAN/UPC	0887758522547

Description

Trouble-free printing, page after page means you have more time for important business matters, day after day. Uniquely formulated HP toner, the proven all-in-one cartridge design and built-in intelligence make Original HP toner cartridges the time-saving, cost-effective choice. And our recognized environmental leadership makes HP the responsible choice. Keep the office running smoothly with the outstanding print quality and reliable, trouble-free printing of Original HP.

High-quality black for everyday printing. Performance and value for your reports, invoices and spreadsheets.

• With every LaserJet printer from HP comes an Original HP toner formula, designed together with the printer to provide reliable, trouble-free printing. Our uniquely formulated toner provides consistently outstanding print quality and reliability over the life of the cartridge at the speeds your business needs.

Better together. For ultimate speed and quality and maximum printer performance, use Original HP cartridges.

• Global citizenship is embedded in the design of HP products. Through design innovation, HP has cut the average number of component parts used in monochrome LaserJet cartridges by a third, and the average number of plastic resins used by more than half, which makes them easier to recycle (compared to 1992 baseline).

With Original HP cartridges and uniquely formulated HP toner, get consistent print quality from the first page to the last. The cartridge is designed to produce consistent yields from one cartridge to the next. With Original HP, get what you expect.

• HP is committed to delivering value. HP LaserJet toner cartridges are tested using the internationally-recognized ISO 19752 industry standard measurement for toner cartridge yield (includes HP toner cartridges for monochrome HP LaserJet printers introduced 1998 and later).

Main features

	General
Quantity per pack	1 pc(s)
