Description

Original HP PageWide XL pigment ink

Deliver color fast and set a new standard in technical document quality. To help you meet the tightest deadlines, HP PageWide XL pigment ink drives fast, high-quality HP PageWide XL printing and enables extended time between printhead service station cycles.

Fast color, excellent quality

Set a new technical document quality standard—crisp lines, fine detail, smooth grayscales beat LED.² See vivid color at breakthrough speeds for GIS maps, point-of-sale (POS) posters. Durable prints.

Meet tight deadlines

Enabling fast production printing, HP PageWide XL pigment ink supports print speeds up to 30 D/A1 pages/minute in monochrome and color.³

Easy, dependable operation

HP PageWide XL pigment ink is designed for single-pass, large-format HP PageWide XL printing, allowing HP PageWide XL Printheads to operate reliably for sustained, high-quality productivity.
