Description

Lightweight, essential for Xbox.

The HyperX CloudX Stinger 2 Core™ is the essential entry-level headset for the Xbox^[1] gamer looking for great sound at an affordable price. This Official Xbox licensed headset delivers the basic features Xbox gamers want, great sound quality, comfort, and convenience. With audio controls right on the headset itself and a swivel-to-mute mic, you will not have to dive into system menus to adjust the volume or mute yourself. Adjustable sliders and soft ear cushions provide comfort for those long gaming sessions, and the flexible mic lets you position the microphone just where you want it. Stay immersed in your game thanks to the closed cup design and directional 40mm drivers that feature enhanced bass tuned for console gaming.
