Description

Optimized for durability and precision tracking. The HyperX Pulsefire Mat Gaming Mouse Pad is built for durability and precision tracking with a highly optimized surface and anti-fray stitching. With an anti-slip rubber underside and comfortable padding, you can enhance your gaming and your comfort. The flat surface provides a smooth, consistent mouse glide and it rolls up for easy portability. Pulsefire Mat is available in a variety of size options to accommodate for different play styles and space requirements.
