Manufacturer item no.	JBLPB130BLKEP
EAN/UPC	1200130035135

Description

At the pool, the park, or your backyard get-together, the JBL PartyBox 130 takes your party to the next level. With JBL legendary sound going hard, the music that powers your party feels huge. And feel free to turn it up. The highs are crystal-clear and, thanks to AI Sound Boost, the bass stays powerful and precise with no distortion, no matter how high you crank it. The vibe-setting futuristic lightshow now includes strobe lights and vibrant effects that sync to your beat. With up to 15 hours of playtime, you'll be dancing late into the night. If that's not enough, a quick 10-minute charge will give you another 80 minutes of listening. Or swap in a spare battery (sold separately) and keep the fun going even longer.

Taking your party to-go? The foldable ergonomic handle makes the JBL PartyBox 130 easy to carry anywhere. And with versatile inputs for guitars, mics, and TV, you can turn any gathering into a karaoke party or movie night on the spot. Thanks to the IPX4 splashproof design, you'll be unbothered about a spilled drink or a little rain. Plus, you can expand your sound to fit any size of celebration by grabbing another JBL Auracast™-enabled speaker—or a few—and syncing them up using Auracast™. And you can control all of it with JBL One App from anywhere at the function. Bring pure party energy anywhere with the JBL PartyBox 130.

Main features

	General
Tweeter	Yes
Tweeter diameter	2.5 cm
Tweeter diameter (imperial)	2.54 cm
Woofer diameter (imperial)	13.2 cm
Woofer diameter	14.5 cm
Woofer	Yes
Frequency range	45 - 20000 Hz
Signal-to-Noise Ratio (SNR)	80 dB
Connectivity technology	Wired & Wireless
Cord length	2 m
Product colour	Black
International Protection (IP) code	IPX4
Battery type	Built-in battery
Power source type	AC, Battery

AC adapter input voltage 100 - 240 V
