Description

STEAM CLEANER SC 3 EasyFix

The SC 3 EasyFix is the fastest steam cleaner of its time and is ready to go after a heat-up time of only 30 seconds. The water tank can be refilled at any time for uninterrupted cleaning. The descaling cartridge autonomously decalcifies the water, thereby increasing the service life of the device. The Kärcher SC 3 EasyFix cleans without chemicals and can be used practically anywhere in the home. It can be used on all types of domestic hard surfaces. Thorough cleaning with the Kärcher steam cleaner removes 99.999% of viruses and 99.99% of all common household bacteria from typical household hard surfaces. Its extensive accessories deliver hygienic results when cleaning tiles, hobs, exhaust hoods and even the smallest of crevices – removing even stubborn dirt. It also comes with the EasyFix floor nozzle with a flexible joint for excellent ergonomics and lamella technology for perfect cleaning results. Using the convenient hook-and-loop system, the floor cleaning cloth can be effortlessly attached to the floor nozzle and removed again without having to come into contact with dirt. Using two-step steam regulation, the steam intensity can be perfectly adapted to the surface and the dirt. Additional details: accessory storage and parking position for the floor nozzle.

Short heat-up time

With a heat-up time of only 30 seconds, the device is ready to use in no time.

Floor cleaning set EasyFix with flexible joint on the floor nozzle and convenient hook-and-loop fixing for the floor cleaning cloth

Optimal cleaning results on all types of hard floors around the home thanks to efficient lamella technology. Contactless cloth changing without contact with dirt, and convenient attachment of the floor cleaning cloth thanks to the hook-and-loop system. Ergonomic, effective cleaning with full floor contact, regardless of the user's height, thanks to the flexible nozzle joint.

Non-stop steam and integrated descaling cartridge

The tank is easy to fill at any time – for non-stop steam without interrupting your work. The intelligent descaling cartridge automatically removes limescale from the water, dramatically extending the service life of the device.

Main features
