

Logitech Wireless Gaming Mouse G703 LIGHTSPEED with HERO 16K Sensor

Mouse - optical - 6 buttons - wireless - wired - USB - LIGHTSPEED - Logitech
LIGHTSPEED receiver

Group	Input Devices
Manufacturer	Logitech
Manufacturer item no.	910-005640
EAN/UPC	5099206083578

Description

The G703 is ergonomically designed for comfort while also including advanced technologies including ultra-fast Lightspeed wireless. G703 works with Powerplay wireless charging system for seamless continuous charging while in motion.

Logitech G invented Lightspeed wireless technology to deliver the ultimate in high-performance wireless gaming. With a 1 ms report rate and end-to-end optimized wireless connectivity, G703 delivers incredible responsiveness for competition grade performance.

G703 comes equipped with the PMW3366 optical sensor with zero smoothing, filtering or acceleration across the entire DPI range (200-12,000DPI), delivering exceptional tracking accuracy and consistent responsiveness at any speed. For even better accuracy and speed, use the surface tuning in Logitech G HUB to maximize your sensor.

Just add Powerplay, the world's first high performance wireless charging system for gaming mice. It is the only system that can continuously charge even while you play. Wireless gaming is fully realized with Powerplay. Never plug in your mouse again. Play unlimited. Play advanced.

G703 brings together supreme comfort, quality, and durability in a lightweight, ergonomically designed body. With rubber grips on the left and right sides to give you added control, the G703 was made to mold to your hand for long-lasting comfort and confidence during gameplay.

Mechanical button tensioning uses metal springs to help keep the left and right mouse buttons primed to click, reducing the force needed. Combined with individual left and right buttons, it enhances the consistency and delivers exceptional click feel and response.

Programmable and vibrant Lightsync RGB technology, 6 programmable buttons, removable weight, onboard memory and more. G703 adapts to your style with Logitech G HUB.

Main features

Product Description	Logitech Wireless Gaming Mouse G703 LIGHTSPEED with HERO 16K Sensor - mouse - USB, LIGHTSPEED
Device Type	Mouse
Connectivity Technology	Wireless, wired - USB, LIGHTSPEED

Dimensions (WxDxH)	6.8 cm x 12.4 cm x 4.3 cm
Weight	95 g
Wireless Receiver	Logitech LIGHTSPEED receiver
Movement Detection Technology	Optical
Buttons Qty	6
Movement Resolution	16000 dpi
Performance	1 ms response time, 40 G maximum acceleration, up to 400 inches per second, realtime sensitivity switching 100 - 16000 dpi, report rate: 1000 Hz
Gaming	Yes
Features	Rubber side grips, adjustable weight, 6 programmable buttons, ARM 32-bit processor, HERO sensor, true 1:1 tracking, LIGHTSYNC technology, mechanical button tensioning system, POWERPLAY Compatibility
Cable Length	1.8 m
OS Required	Google Chrome OS, Microsoft Windows 7 or later, Apple MacOS 10.11 or later

Extended details

General	
Device Type	Mouse
Wireless Receiver	Logitech LIGHTSPEED receiver
Gaming	Yes
Width	6.8 cm
Depth	12.4 cm
Height	4.3 cm
Weight	95 g
Input Device	
Connectivity Technology	Wireless, wired
Interface	USB, LIGHTSPEED
Movement Detection Technology	Optical
Buttons Qty	6
Movement Resolution	16000 dpi
Performance	1 ms response time, 40 G maximum acceleration, up to 400 inches per second, realtime sensitivity switching 100 - 16000 dpi, report rate: 1000 Hz
Cable Length	1.8 m
Features	Rubber side grips, adjustable weight, 6 programmable buttons, ARM 32-bit processor, HERO sensor, true 1:1 tracking, LIGHTSYNC technology, mechanical button tensioning system, POWERPLAY Compatibility
Expansion / Connectivity	
Interfaces	1 x USB - 4 pin USB Type A
Miscellaneous	
Included Accessories	Receiver extension adapter, USB charging/data cable, weight module (10g.)
Software / System Requirements	
OS Required	Google Chrome OS, Microsoft Windows 7 or later, Apple MacOS 10.11 or later
Manufacturer Warranty	
Service & Support	Limited warranty - 2 years
