

Panasonic for Professionals ER-GP21

Hair clipper - cordless - black

Group	Household Small Appliances
Manufacturer	Panasonic
Manufacturer item no.	ER-GP21-K801
EAN/UPC	5025232838301

Description

With the improved ultra-closed blades, your trimming length is 40% shorter than with a conventional model. This will give you an exceptionally closer, precise and clear cut.

The smooth, curving, and easy to handle ergonomic design makes it for easy use. Also, the non-slip and soft-grip rubber pads prevent slipping to assure optimum handling while you cut hair.

Simply place the unit in the charging dock. It's easy to use so charging is possible even while you're working. The red lamp indicates when the battery has run out whilst green indicates charging is in progress. The charging dock also has space for attachments for practical use.
