Description

Get the most out of your coffee pad thanks to the innovative SENSEO Coffee Boost technology that delivers a fuller, richer flavor through a finer distribution of water via 45 aroma nozzles ensuring the hot water is optimally spread across the entire SENSEO coffee pad. Therefore each grain of ground coffee will release all the aromas and flavors, delivering a richer, fuller, taste. With Crema plus you will brew, cup after cup, SENSEO coffee with fine and velvety crema layer. Your SENSEO coffee machine automatically switches off, allowing you to save energy.
