## Description

The steam iron 3000 series makes ironing easy with the powerful steam boost that tackles tough creases. The ceramic soleplate ensures smooth gliding while the 300ml water tank is large enough to finish smaller ironing loads without a refill.

## Main features

|                     |                                                                |
|---------------------|----------------------------------------------------------------|
| Product Description | Philips 3000 series DST3010 - steam iron - sole plate: ceramic |
| Product Type        | Steam iron                                                     |
| Sole Plate Type     | Ceramic                                                        |
| Antiscale System    | Calc-Clean                                                     |
| Voltage             | 220 - 240 V                                                    |
| Power Consumption   | 2000 W                                                         |
| Dimensions (WxDxH)  | 29 cm x 12.1 cm x 14.3 cm                                      |
| Weight              | 1.2 kg                                                         |

## Extended details

|                           |                              |
|---------------------------|------------------------------|
| General                   |                              |
