Description

Thanks to unique design, you can quickly assemble and start using your masticating juicer. It's also easy to take apart, and quick to clean. All detachable parts can be safely cleaned in your dishwasher - which makes it even easier to clean up after your daily juice session. With QuickClean technology - including easy-to-clean micro-sieve, all parts are easy to remove and rinse. Your kitchen counter top will stay nice and clean, thanks to integrated drip stop.
