

Philips 2000 series FC8240/09, 900 W, Cylinder vacuum, Dry, Dust bag, 3 L, Allergy filter

FC8240/09 - 750 W - 3L Dust Capacity - 4.3 kg - Blue

Group	Cleaning Equipment
Manufacturer	Philips
Manufacturer item no.	FC8240/09
EAN/UPC	8710103807407

Description

AAA energy rating

This Philips vacuum cleaner achieves a Class A rating in three different EU labeling categories: energy consumption, dust re-emission and cleaning performance on hard floors.

Certified Allergy Filter

Our clean-air filter system captures 99.9% of fine dust – including pollen, pet hair and dust mites – for allergy sufferers and anyone demanding a higher level of hygiene. Certified allergy friendly by ECARF.

Easy, long-lasting bags

S-bags last up to 50% longer and maintain the full suction power of your vacuum cleaner right up to the moment it's full. One bag fits all models, with a sealing mechanism for tidy disposal.

Large 3-liter capacity

The large-capacity dust chamber handles a full three liters before the bag needs changing.

Long 9-meter reach

With a reach of 9 meters from plug to nozzle, it keeps you cleaning longer without unplugging.

Handy onboard accessories

Accessories, like a handy crevice tool, are integrated onto the vacuum so they're always at hand while you clean.

Telescopic tube for comfort

A 2-piece, telescopic metal tube adjusts quickly to any height for comfortable cleaning.

Main features

General	
Maximum input power	900 W
Type	Cylinder vacuum
Cleaning type	Dry
Dust container type	Dust bag
Dust capacity	3 L
Vacuum air filtering	Allergy filter
Dirt separating method	Filtering
Noise level	77 dB
Product colour	Black, Blue
