Description

CUSHIONED IMMERSION

Be enveloped by immersion with the Razer Clio—a THX® Spatial Audio-enabled wireless speaker head cushion. Featuring two powerful full-range drivers in a unique form factor, stay fully engaged and comfortable with a gaming chair accessory that tops them all.

INTEGRATED NEAR-FIELD DUAL SPEAKERS

Greater Immersion and Listening Comfort

Enjoy headset-like immersion without the fatigue of wearing one. Angled speakers direct sound straight to your ears, providing an intimate listening experience cushioned by thick, plush padding.

THX® SPATIAL AUDIO-ENABLED

Acoustic Widening Modes for Hyper Realism

Bring your entertainment to life from every angle with a suite of advanced modes. Enjoy a widened soundstage with advanced THX immersive audio that delivers a more realistic listening experience that makes your movies, games and music truly come alive.

3 DISTINCT EQ MODES

Game

Enable clearer teammate voice comms and critical audio cues such as footsteps to gain a competitive edge.

Movies

From MOBAs to RPGs to movies, immerse in the action with a fuller soundstage that delivers deeper, richer bass for explosions, environmental effects and more.

Music

Do your favourite tunes justice and bring every audio detail to life with dynamic bass response and crisp voice clarity.

SUPPORTS MULTIPLE AUDIO SETUPS

As a Primary Speaker or Rear Surround Speaker

Keep your desktop free from additional clutter. Use the Razer Clio as a primary speaker or turn it into a rear surround speaker to complement your existing soundbar or 2.0/2.1 system. Razer Clio is adjustable to fit headrests between 47 to 65 cm circumference.

TWO 43 MM FULL-RANGE DRIVERS WITH ALUMINUM CONE

Dynamic, High-Fidelity Sound

Experience audio that engages your senses through two large full-range drivers with passive radiators—optimized for crisp, clear trebles and deep, punchy bass you can hear and feel.

RAZER™ HYPERSPEED WIRELESS AND BLUETOOTH

Wireless Connectivity Across Devices

Enjoy ultra-low-latency PC and console gaming with our industry leading 2.4 GHz connection, or switch to Bluetooth to be immersed on Android/iOS as you enjoy movies, music, and more.

UP TO 14 HOURS OF BATTERY LIFE

Uninterrupted Entertainment

Use it for up to 14 hours on a single full charge or have it ready for your next session with convenient USB C charging.
