4 cups - stainless steel

Group	Coffee Machines
Manufacturer	ROMMELSBACHER
Manufacturer item no.	EKO 364/E
EAN/UPC	4001797202000

Description

Who does not love to enjoy genuine Italian espresso? Therefore, the little brother of EIPresso deLuxe was created. ROMMELSBACHER's Espresso Maker EIPresso mini is the best prerequisite for a 'dinner for two'. Its visual appearance by itself is already eye-catching: perfect design, stainless steel finish and an ergonomically-curved stainless steel handle with heat-insulated synthetic material on the inside. The quick lock makes sure that the coffee jug can be opened with just a quarter turn and shut from 4 different positions (perfect for right-handed and left-handed persons). No matter whether 4 cups or - because of the filter insert included in the delivery scope - 2 cups of espresso are prepared, it is easy and convenient to operate. Just insert water and ground espresso, place the cordless jug on the power base, switch on and it will get going. As soon as the espresso is ready, the appliance switches off automatically. Simply perfect!

Main features

Product Description	Rommelsbacher EIPresso mini - stainless steel
Cup Capacity	4
Colour	Stainless steel
Voltage	230 V
Dimensions (WxDxH)	11.5 cm x 11.5 cm x 17 cm
