Description

The SteelSeries QcK mini is a dream of a mouse pad for every gamer that prefers cloth surfaces. This mouse pad went through extensive testing by gaming professionals before its release and with their feedback the SteelSeries QcK mini was further developed, to make it the ultimate cloth pad every gamer desired. With the use of high quality cloth material, an optimized texture which guarantees both smoothness and glide and a specially designed non-slippery rubber base this pad blows away the competition and is a great choice not only for the hardcore gamer but also for graphic designers and others who use their mouse for extended periods of time. Dimensions which fit even small table sizes. The SteelSeries QcK mini is compatible with all types of mice and is ideal for starters because of its great value for the money.
