Description

The AH T600 full-tower chassis from the AH Series is forged with a sturdy, air-force styled architecture with two large 5mm tempered glass panels on the left and right sides, and three 3mm tempered glass windows on the front. I/O ports are located at the top-front panel with a futuristically designed power button. It is an open-frame case, which not only ensures outstanding ventilation, but also enables users to demonstrate their DIY handwork. The AH T600 full-tower chassis is one-of-a-kind that all users will notice, love, and desire.
