## Description

TP-Link Omada EAP615GP-Wall V1 - Radio access point - 4 ports - 1GbE, GPON - Wi-Fi 6 - 2.4 GHz, 5 GHz - cloud-managed - wall mountable

## Main features

|                      |                                                                                                                                                   |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Description  | TP-Link Omada EAP615GP-Wall V1 - radio access point - Wi-Fi 6 - cloud-managed                                                                     |
| Device Type          | Radio access point                                                                                                                                |
| Form Factor          | Wall mountable                                                                                                                                    |
| Ports Qty            | 4                                                                                                                                                 |
| Data Link Protocol   | Ethernet, Fast Ethernet, Gigabit Ethernet, IEEE 802.11a, IEEE 802.11b, IEEE 802.11g, IEEE 802.11n, IEEE 802.11ac, IEEE 802.11ax (Wi-Fi 6), GPON   |
| Frequency Band       | 2.4 GHz, 5 GHz                                                                                                                                    |
| Performance          | Maximum data rate (2.4 GHz): 574 Mbps<br>Maximum data rate (5 GHz): 1201 Mbps<br>Upstream bandwidth: 1.244 Gbps<br>Downlink bandwidth: 2.488 Gbps |
| Capacity             | Connected devices: 100+<br>Maximum MAC filters: 4000<br>Maximum number of configured SSIDs: 16                                                    |
| Included Accessories | Wall mounting kit                                                                                                                                 |
| Dimensions (WxDxH)   | 8.6 cm x 3.76 cm x 14.3 cm                                                                                                                        |
| Weight               | 320 g                                                                                                                                             |
