

Verbatim Keypad Secure - USB flash drive

encrypted - 128 GB - USB 3.0

Group	Flash Memory
Manufacturer	Verbatim
Manufacturer item no.	49429
EAN/UPC	0023942494294

Description

In today's world, the security of your confidential data is very important. Imagine losing your personal files, leaving them on a train or in the back of a taxi, knowing that anyone can access them because they were saved on a standard hard drive. The Keypad Secure USB drive is here for your peace of mind. The hardware encryption seamlessly encrypts all data on the drive in real-time with a built-in keypad for passcode input.
