## Description

WD\_BLACK SN8100 WDS400T1XHM-00CMT0 - SSD - encrypted - 4 TB - internal - M.2 2280 - PCI Express 5.0 x4 (NVMe) - TCG Opal Encryption 2.02 - integrated heatsink

## Main features

|                        |                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------|
| Product Description    | WD_BLACK SN8100 WDS400T1XHM-00CMT0 - SSD - 4 TB - PCI Express 5.0 x4 (NVMe)                               |
| Type                   | Solid state drive - internal                                                                              |
| Capacity               | 4 TB                                                                                                      |
| Integrated Heatsink    | Yes                                                                                                       |
| Hardware Encryption    | Yes                                                                                                       |
| NAND Flash Memory Type | 3D triple-level cell (TLC)                                                                                |
| Form Factor            | M.2 2280                                                                                                  |
| Interface              | PCI Express 5.0 x4 (NVMe)                                                                                 |
| Features               | DRAM cache, CMOS-bonded-array (CBA), anodised aluminium heatsink, customisable LED RGB lighting, NVMe 2.0 |
| Dimensions (WxDxH)     | 22 mm x 80 mm x 11.25 mm                                                                                  |
| Weight                 | 31.2 g                                                                                                    |
| Manufacturer Warranty  | 5-year warranty                                                                                           |
