

# Xerox Medienkassetten-/Zufuhrwalzen-Kit - für VersaLink B600

B605 - B610 - B615 - C500 - C505 - C600 - C605

|                     |                 |
|---------------------|-----------------|
| Gruppe              | Zubehör Drucker |
| Hersteller          | Xerox           |
| Hersteller Art. Nr. | 116R00010       |
| EAN/UPC             | 0095205847727   |

## Beschreibung

Papierzufuhrrollensatz (Langlebig, normalerweise nicht erforderlich).

## Hauptmerkmale

|                     |                                                          |
|---------------------|----------------------------------------------------------|
| Produktbeschreibung | Xerox Medienkassetten-/Zufuhrwalzen-Kit                  |
| Produkttyp          | Medienkassetten-/Zufuhrwalzen-Kit                        |
| Entwickelt für      | VersaLink B600, B605, B610, B615, C500, C505, C600, C605 |

## Ausführliche Details

### Allgemein

|                                             |                                   |
|---------------------------------------------|-----------------------------------|
| Produkttyp                                  | Medienkassetten-/Zufuhrwalzen-Kit |
| Transportabmessungen<br>(B x T x H)/Gewicht | 0.1 kg                            |

### Informationen zur Kompatibilität

|                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
