Description

Created for audiophiles, Mi Bluetooth Speaker provides outstanding sound quality and supports multiple music playback modes. Compatible with smartphones, tablets, TVs, laptops and more. Stylishly designed and packed with power, it's the perfect way to indulge in music wherever you go.

Lightweight and compact, Mi Bluetooth speaker weighs only 270 g and can be used for long hours on a full charge. That's plenty of playback for travel trips, dance practices and more.

Free up your hands, take calls with handsfree support and a built-in microphone. Mi Bluetooth Speaker pauses music playback when you receive calls. Just press the play button to transition to handsfree mode.
